Office Memorandum • UNITED STATES GOVERNMENT**TO :** Executive**DATE:** JUL 29 1949**FROM :** Assistant Director for Operations**SUBJECT:** Detail of BBC Monitoring Personnel to FBIS Mediterranean Bureau**REF :** a. Memorandum dated 15 July 1949 to Executive from ADO, subject same as above

b. Attached message No. 290525 to White, Chief, FBIB, from Frost, Head of BBC Monitoring Service

1. Following approval by the Executive of the FBIS-BBC proposal to detail BBC personnel to the FBIS Mediterranean Bureau (Reference a) a proposed contract was prepared by the Services Officer and submitted to the BBC for comment.

2. BBC has replied that the proposed contract is likely to cause major administrative problems involving not only BBC contractual agreements with staff but also its authority to enter into American Government contracts without approval of exchange authorities, and anticipates that it would require considerable time to solve these problems. BBC suggests as an alternative that CIA pay transportation costs to and from Cyprus and a flat \$10 per diem for the period of this detail.

3. In view of the immediate need for this personnel at Cyprus and in order to avoid the necessity of executing a formal contract permission is requested to employ three BBC personnel as experts for a period of approximately six months on a without compensation basis in accordance with section 5, Public Law 600, 79th Congress, and to allow this personnel transportation and per diem as follows:

a. Round trip air transportation between London and Cyprus (CIA Transportation Requests will be used to secure passage).

b. Ten dollars per diem in lieu of subsistence en route and at Cyprus.
